INDEPENDENT AUDITORS' REPORT

**To the Board of Governors of
Fondos Unidos de Puerto Rico, Inc.
(United Way of Puerto Rico)
San Juan, Puerto Rico**

Opinion

We have audited the accompanying financial statements of Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico) (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico) as of December 31, 2021 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico) for the year ended December 31, 2020 were audited by other auditors, whose report dated June 10, 2021, expressed an unmodified opinion on those statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fondos Unidos de Puerto Rico, Inc. (United Way of Puerto Rico)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico) ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and the Supplemental Schedule of Donations Allocated to Agencies, both are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 26, 2022 on our consideration of the Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s internal control over financial reporting and compliance.

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fondos Unidos de Puerto Rico, Inc. (United Way of Puerto Rico) (the Organization) is a non-for-profit organization incorporated under the laws of the Commonwealth of Puerto Rico on January 30, 1967 for the purpose of raising funds in annual campaigns to cover program services of its participating and partner agencies. The Organization, which is affiliated to United Way Worldwide, acts as the administrator of the Puerto Rico Public Employees Campaign (known as CBEP for its Spanish abbreviation).

Campaña Benéfica de Empleados Públicos (CBEP)

The CBEP is a fundraising activity promulgated by virtue of Act 168 of 1988 (the Act), administered by the Organization as the designated agency (hereinafter referred to as the designated agency). The activities mainly consist of a programmed fundraising campaign between Puerto Rico governmental employees through authorized payroll deductions and cash donations. Most of these donations are donor-designated, meaning the donor specified to what particular non-for-profit organization or agency the donated funds will go to.

Pursuant to executive order and other requirements, the CBEP is monitored by a ruling council and by an Executive Committee set forth by the Act with the oversight responsibilities of the campaign operations and supervision of the designated agency. The designated agency has the primary responsibility of coordinating the campaign among agencies and of distributing funds according to donors' specifications.

Combined Federal Campaign (CFC)

On August 8, 1982, the Local Federal Coordinator Committee (LFCC) of the U.S. Federal Office of Personnel Management (OPM), designated the Organization as the Principal Combined Fund Organization (PCFO) and was reappointed as PCFO for subsequent campaigns. The participant agencies or beneficiaries of the CFC consist of a diversity of not-for-profit organizations. Promises to give are received from federal employees through authorized payroll deductions and cash donations. The Organization's role as PCFO managing the Campaign funds ended as of March 31, 2018 for the Fall 2016 Puerto Rico and U.S. Virgin Islands Combined Federal Campaign.

As a federation, the Organization is honoring federal employee designations made to each member organization by distributing a proportionate share of receipts based on the results of each individual campaign following the U.S. Office of Personnel Management (OPM) regulation under Section 5 CFR Part 950.301(e)(2)(i) for the years ended December 31, 2021 and 2020.

Basis of Presentation

The accompanying financial statements, which are presented on the accrual basis of accounting, have been prepared to focus on the Organization as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions in the case of grants, and time stipulations for campaigns contributions. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions and time availability.

FONDOS UNIDOS DE PUERTO RICO, INC.
(UNITED WAY OF PUERTO RICO)
NOTES TO THE FINANCIAL STATEMENTS

**NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

The Organization follows the Financial Accounting Standards Update (ASU) No. 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities. This guidance is intended to improve the net asset classification requirements and the information presented in the financial statements and notes about a not-for-profit entity's liquidity, financial performance and cash flows.

Conditional promises

Following ASU No. 2018-08, the Organization determines whether a contribution is conditional on the basis of whether an agreement includes a barrier that must be overcome and either right of return of assets transferred or a right of release of a promisor's obligation to transfer assets as determinable from the agreement or another document referenced in the agreement. Conditional promises are recognized as revenue when the Organization overcomes the barrier stated in the agreement.

Net assets with donor restrictions

For campaign contributions, net assets consist of activities subject to donor-imposed stipulations that will be met by the passage of time. They consist of net campaign contributions pledged and available for future periods. For grants, disaster relief, and other non-campaign contributions, net assets with donor restrictions consist of activities subject to donor-imposed restrictions that will be met by actions of the Organization.

Net assets without donor restrictions

Campaign contributions, which are available for current year use because the stipulated time period has elapsed, are reported as net assets without donor's restrictions (normally referred to as "prior year's campaign"). For grants and other non-campaign contributions, net assets are net resources not subject to donor-imposed restrictions or net resources for which stipulated conditions or restrictions have been fulfilled.

Revenues are reported as increases in net assets unless use of the related assets is limited by donor-imposed restrictions or campaign contributions related to future years. Expenses are reported as decreases in net assets.

Gains and losses on investments and other assets or liabilities, if any, are reported as increases or decreases in net assets unless their use is restricted by explicit donor stipulation. Expirations of net assets with donor's restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets (i.e., net assets released from restrictions). Unconditional promises to give are recognized as contribution revenue in the period in which the promise is received.

FONDOS UNIDOS DE PUERTO RICO, INC.
(UNITED WAY OF PUERTO RICO)
NOTES TO THE FINANCIAL STATEMENTS

**NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Donor-restricted contributions whose restrictions are met in the same reporting period are reported as with donor's restriction support in the statements of activities and changes in net assets.

Designated net assets

From time to time, the Organization designates net assets to cover certain projects suggested in the Organization's Strategic Plan. The Organization, also, receives grants without donor's restriction that are earmarked by the Organization for particular projects.

Fund Distributions

The Organization's allocation of campaign revenues cycle runs on a calendar year basis and participating agencies are usually notified during January and June of the Organization's intent to give. After the initial intent has been communicated to participating agencies, the Organization may confirm the unconditional promises to give or simply make the actual allocation payment. These intentions to give are not accrued in the financial statements because the Organization reserves the right to rescind such intentions.

Accounts Receivable

The organization recognizes accounts receivable for contributions from the CFC, Puerto Rico Department of Health, campaigns such as "Vive Unidos" by United Way Puerto Rico (United Funds) and other pending reimbursements to be received from other organizations or governmental agencies. Provision for uncollectible accounts is not recognized since such receivables are collected.

Promises to Give

All unconditional promises to give are due in one year. Many unconditional promises to give are donor-designated related to CBEP and are recorded in the period in which the donor makes the promises. In general, these promises contain time restrictions that normally expire in the period following its recognition. Donor restricted promises are recorded, net of amounts expected to be remitted to the designated organizations as increases in net assets with donor restrictions. When the donor restrictions expire, net assets with donor restrictions are reclassified to net assets without donor restriction and are reported in the statement of activities and changes in net assets as net assets released from restrictions.

Prior to remitting the promises received to the designated agencies; the Organization retains a portion of these donations to cover administrative costs and campaign expenses.

Allowance for Uncollectible Unconditional Promises to Receive

For the Organization, the reserve for uncollectible unconditional promises to receive (shrinkage) is based on a historical loss factor and a management estimate of future promises losses.

FONDOS UNIDOS DE PUERTO RICO, INC.
(UNITED WAY OF PUERTO RICO)
NOTES TO THE FINANCIAL STATEMENTS

**NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

The loss factor is based on a realization analysis of the overall campaign, including corporate gifts, individual gifts, and employee workplace campaigns for the last three years. The factor applied to the current year campaign promises to receive, represents an average of actual losses based on the past three years. Because of uncertainties inherent in the estimation process, management’s estimate of uncollectible unconditional promises to receive may change. For CBEP, the allowance method is used to determine the uncollectible unconditional promises to receive (shrinkage). The shrinkage is based on prior years’ experience and management’s analysis of specific promises made.

Amounts Designated by Donors

The Organization follows the Financial Accounting Standards Board (FASB) ASC 958-605, Not-for-Profit Entities – Revenue Recognition. ASC 958-605 requires, among other things, that when the recipient organization has no variance power over the assets received from donors, it should recognize the fair value of those assets as a liability to the specified beneficiary concurrent with the recognition of the assets received from the donor.

Accordingly, such contributions do not affect the statement of activities and changes in net assets and are presented against campaign results.

The following schedule details gross campaign contributions and distributions before and after amounts designated by donors for the years ended December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>

Accounting Principles

The accompanying financial statements have been prepared in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-205, Financial Statements of Not-for-Profit Organizations following ASU No. 2016-14, which requires that all not-for-profit organizations to provide a statement of financial position, a statement of activities and changes in net assets, a statement of cash flows, and informative notes to the financial statements. ASC 958-205 also requires that net assets be presented in the statement of financial position based on the existence or absence of donor-imposed restrictions, as either net asset with donor restrictions or net assets without donor restrictions and that the amounts of change in each of those classifications be presented in the statement of activities. ASU No. 2016-14 expands to all not-for-profit organizations the requirement to present an analysis of expenses by functional and natural classifications. Functional information must be provided either on the face of the statement of activities, as a schedule in the notes to financial statements, or in a separate financial statement.

In addition to information about net assets with donor restrictions, all not-for-profit organizations will also be required to disclose, as of the end of the reporting period, the amounts and purposes of governing board designations, appropriations, and similar actions that result in self-imposed limits on the use of resources that are free of donor-imposed restrictions as well as to disclose both qualitative and quantitative information about how it manages its liquid resources.

Cash and Cash Equivalents Unrestricted and Restricted

Cash and cash equivalents unrestricted and restricted include cash on hand and highly liquid debt instruments with original maturities of three months or less.

Accounting for Contributions Received and Made

The Organization accounts for contributions received and contributions made under the provisions of FASB ASC 958-605, Not-for-Profit Entities, Revenue Recognition. ASC 958-605 requires that contributions received or made, including unconditional promises to give, be recognized as revenues or expenses in the period received or made at their fair values. Conditional promises to give, whether received or made, should be recognized when the stated barrier is overcome. ASC 958-605 also requires not-for-profit organizations to distinguish between contributions received that increase net assets with donor restrictions, and net assets without donor restrictions and to recognize the expiration of donor-imposed restrictions in the period in which the restrictions expire.

Revenue Recognition

Contributions received and unconditional promises to receive are measured at their fair values and are reported as an increase in net assets. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods.

(UNITED WAY OF PUERTO RICO)
NOTES TO THE FINANCIAL STATEMENTS

**NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

When a donor restriction expires, that is, when a stipulated time restriction ends or restriction purpose is accomplished, net assets with donor restrictions and changes in net assets are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

The Organization follows the Financial Accounting Standards Update (ASU) No. 2018-08, Not-For-Profit Entities (Topic 958) – Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. ASU No. 2018-08 aims to assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as exchange (reciprocal) transactions subject to other guidance like Topic 606, and (2) determining whether a contribution is conditional. In addition, the amendments provide additional guidance about how to determine whether a contribution is conditional.

We have analyzed the provisions of the FASB’s ASC Topic 606, Revenue from Contracts with Customers, and have concluded that no changes are necessary to conform with the new standard. The Organization recognizes revenue from the sale of services under the Puerto Rico Department of Health PR-SRAE Program when the performance obligations under the contract are met. The services under the Program are provided over a period of time, rather than at a point in time.

Investment Securities

The Organization reports its investment at fair market value in accordance with the FASB Accounting Standards Codification 958-320, *Not-for-Profit Entities-Investments-Debt & Equity Securities*. FASB ASC 958-320 requires investments in equity securities with readily determinable fair values and all investments in debt securities to be initially recorded at acquisition cost (net of brokerage and other fees) if purchased, or fair value if received by contribution or by agency transaction.

Thereafter, these investments are reported by the entity at fair value on the statement of financial position, and any net realized and unrealized gains and losses, dividends, and fees recorded in the statement of activities and changes in net assets as investment return, net pursuant to ASU No. 2016-14. Fair value of investments is determined based on quoted market prices.

Property and Equipment, Net

The Organization capitalizes all expenditures in excess of \$5,000 for property and equipment at cost. Contributed property and equipment is recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as with donor restriction support. In the absence of such stipulation, contributions of property and equipment are recorded as without donor restriction support. Depreciation is computed using the straight-line method based on the estimated useful lives of the related assets (3 to 50 years). Routine repairs and maintenances are expensed as incurred.

Donated Services

A substantial number of volunteers donate their time to the Organization's program services and fund-raising campaigns. The value of this contributed time is not reflected in these financial statements.

In-kind Donations

In-kind donations of funds, materials and other items are reflected as contributions at their estimated fair market value at the date of receipt.

Paycheck Protection Program

At December 31, 2021 the Company met the Paycheck Protection Program's (PPP) eligibility criteria, therefore, the PPP loan has been forgiven. As a result, following the AICPA's Technical Questions and Answers Section 3200.18, the Company has accounted for the PPP loan following *FASB ASC 958-605, Not-for-Profit Entities-Revenue Recognition*, as a conditional contribution.

Under FASB ASC 958-605 the timing of recognition for a contribution received depends on whether the contribution is conditional or not. If conditional, the contribution is not recognized until the conditions are substantially met or explicitly waived. The Organization would initially record the cash inflow from the PPP loan as a refundable advance. The Organization would then reduce the refundable advance and recognize the contribution once the conditions of release have been substantially met or explicitly waived. As of December 31, 2020, management met all conditions and the loan was forgiven in the amount of \$317,000. Such amount was recorded as other income in 2020.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Major estimates relate to the loss factor on the allowance for uncollectible unconditional promises, depreciation and certain accrued expenses, which have been consistently determined.

Reclassifications

Certain reclassifications have been made to the prior year financial statements in order for them to conform to the current year presentation.

Income Taxes

The Organization is exempt from the payment of income taxes under Section 1101.01 (a)(2)(A) of the Puerto Rico Internal Revenue Code of 2011, as amended and under Section 501(c)(3) of the United States Internal Revenue Code. The Organization has received the tax-exempt notifications from the Puerto Rico Department of Treasury, dated December 1, 2021, and the U.S. Internal Revenue Service, dated January 20, 2022, stating that it meets the provisions of the respective codes in order to be treated as exempt from income taxes.

NOTE B – CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Organization to significant concentrations of risk consist primarily of cash and cash equivalents, investment securities, promises and other receivables. The Organization places its cash in high credit quality institutions where deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to a maximum of \$250,000. The uninsured cash balance amounted to approximately \$9.5 million and \$11.3 million as of December 31, 2021 and 2020, respectively.

Concentrations of credit risk with respect to promises receivable are limited due to the Organization's large number of donors. The Organization maintains allowances for potential credit losses. Actual losses have historically been within management's expectations and estimates.

NOTE C – CASH, CASH EQUIVALENTS UNRESTRICTED AND RESTRICTED

As of December 31, 2021 and 2020, cash and cash equivalents consist of the following:

	<u>2021</u>	<u>2020</u>
<u>Unrestricted</u>		
Operating and saving accounts	\$ 9,417,636	\$ 11,258,123

NOTE D – DESIGNATIONS

As described in Note L, during the year ended December 31, 2020, the Organization received contributions without donor restrictions amounting to \$10 million for use for the tax-exempt purposes of the Organization. The Organization has designated the amount received to be used for various program initiatives including *Sembrando Futuro*, community investment and social equity programs, among others. Expenditures are included in other programs in the accompanying statements of functional expenses.

NOTE E – FAIR VALUE MEASUREMENTS

The FASB ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Organization invests mainly in two types of instruments, exchange traded funds and mutual funds. An **exchange-traded fund (ETF)** is an investment fund traded on stock exchanges, much like stocks. An ETF holds assets such as stocks, commodities, or bonds, and trades close to its net asset value over the course of the trading day. Most ETFs track an index, such as the S&P 500. A **mutual fund** is an investment fund that holds equity and fixed income securities, with some amounts of cash. The objective of an equity fund is long-term growth through capital gains. Specific equity funds may focus on a certain sector of the market or may be geared toward a certain level of risk. The objective of a fixed income fund is investment return with capital preservation.

The Organization's investments are reported at fair value of \$4,396,628 and \$3,998,756 of December 31, 2021, and 2020, respectively, in the accompanying statements of financial position. These investments are considered to be in Level 1 of the fair value hierarchy as they represent quoted prices in active markets for identical assets. No realized gain or loss were recognized in the accompanying financial statements for 2021 and 2020.

The change in market value of investments for 2021 and 2020 was \$397,872 and \$212,814, respectively. Subsequent to December 31, 2021, the market value of investments has been reduced due to the volatility of the market caused by several conditions.

NOTE F – CONDITIONAL PROMISES AND DEFERRED REVENUE

The Organization had conditional promises amounting to approximately \$400 thousand and \$600 thousand as of December 31, 2021 and 2020, representing the matching portion of private corporations for the next campaign. Conditional promises amounting to \$9,299 and \$15,116 were received in advance and are included in the accounts payable, accrued expenses and deferred income line item in the statements of financial position as of December 31, 2021 and 2020, respectively. The remaining conditional promises to receive are not recorded in the financial statements.

NOTE H - "CARES" ACT FUNDS

In response to the COVID-19 pandemic, Congress enacted the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act established a Coronavirus Relief Fund (CRF) providing \$150 billion of which the Government of Puerto Rico received \$2.2 billion.

On February 2, 2021, the Organization signed an agreement with the Puerto Rico Fiscal Agency and Financial Advisory Authority (AAFAP for its Spanish acronym) and the Puerto Rico Department of Treasury (Hacienda) to provide grant administration services under the Program. As such, the Organization will be responsible, among other things, for all program operations and activities, including but not limited to, establishing standards, determining deadlines, reviewing proposals, marketing, and monitoring use of the funds. As of the date of the financial statements the Organization has received approximately \$19.7 million. The Organization has continued to operate under normal circumstances mostly due to the Government of Puerto Rico having lifted most of the COVID-19 restrictions. The Organization will continue to monitor these events to adapt according to any new changes in regulations and restrictions.

With these funds being requested to the AAFAP, the Organization will be able to provide day care centers with Personal Protection Equipment (PPE) so that children are well protected, and parents can return to work. Also, will be able to provide emotional support for children and teens living in this troubled pandemic world, help the unemployed with finding a new job, to all individuals including the elderly we will offer seminars in how to manage their finances, have special prepared meal to avoid hunger amongst those with financial problems, and develop community centers so disadvantaged students have the opportunity in achieving their academic goals.

The Organization receives financial assistance from the federal government in the form of grants and entitlements. Receipt of grants is generally conditioned upon compliance with the terms and conditions of the grant agreements and applicable federal laws and regulations, including the expenditure of resources for eligible purposes. Accordingly, expenditures financed by these programs are subject to financial, and compliance audits by the grantor agencies.

NOTE I – GOVERNMENTAL CONTRACT

Total governmental contract presented in the statements of activities and changes in net assets for the years ended December 31, 2021 and 2020, are as follow:

	<u>2021</u>	<u>2020</u>
<u>Without donors restrictions</u>		
Special Project: Department of Health (PR-SRAE)	<u>1,165,785</u>	<u>1,216,824</u>
<u>Total governmental contract</u>	<u>\$ 1,165,785</u>	<u>\$ 1,216,824</u>

Special Project: Department of Health (PR-SRAE)

On October 2018, the Organization entered into a new service agreement with the Puerto Rico Department of Health to provide workshops to teens (ages 11-15) on public and private schools, community organizations, public housing, summer camps and others on matters related to sexual abstinence as per the *Plan Estatal del Programa Educativo para Evitar Riesgos Sexuales en Adolescentes para Puerto Rico (PR-SRAE, per its English acronym)*. Additionally, the Organization is required to offer thirteen training sessions under the Relationship Smart Plus curriculum. This program is designed to help teens learn how to make wise choices about relationships, dating, partners, sex and others.

The most recent renewal of this agreement covers the period of October 1, 2021, through September 30, 2022, for an approved governmental contract amounting to \$1,263,750 which will be paid in installments following the terms in the agreement.

As of December 31, 2021 and 2020, \$83,165 and \$61,317, respectively, were due from the Department of Health and recorded in accounts receivable in the accompanying statements of financial position. Additionally, as of December 31, 2021 and 2020, respectively, there were no amount due to the sub-contracted organizations pursuant to the agreement.

NOTE J – EMPLOYEE BENEFIT PLAN

The Organization sponsors a qualified defined contribution retirement plan for its employees. Participation in this plan is available to substantially all salaried and hourly employees. Contributions to the plan are based on a percentage of the employees' compensation, subject to the limits specified in the plan provisions. The Organization's contribution to the plan for the years ended December 31, 2021 and 2020, amounted to \$19,908 and \$20,997, respectively.

NOTE K – COMMITMENTS AND OCCUPANCY

The Organization leases from a third party its parking facilities at a rate of \$3,000 per month under an agreement, which expired on July 31, 2010, and is pending a formal renewal. Rent expense under this agreement amounted to approximately \$36,000 for both years.

NOTE L – CONTRIBUTIONS

During the years ended December 31, 2021 and 2020, the Organization received a total of \$29,300 and \$1,089,209, respectively, in disaster relief funds as a direct response from multiple third parties aimed at helping the Organization and its affiliated organizations in their recovery efforts related to recent disaster events including Hurricanes Irma and Maria, the 2019-2020 earthquakes and the COVID-19 pandemic. Also, during the year ended December 31, 2021 and 2020 the organization maintain other contributions for a total of \$105,235 and \$77,000, respectively.

Additionally, during the year ended December 31, 2020, the Organization received a contribution from the National Philanthropic Trust (the Trust) amounting to \$10 million. The contribution does not specify any restrictions or conditions and the Trust provides that the funds are to be used for the tax-exempt purposes of the Organization. This contribution may not be used to provide anyone with a more than incidental private benefit, and it may not be used to carry on propaganda, to attempt to influence legislation or the outcome of any public election, in support of any political campaign or candidate for public office, or for any other form of lobbying. During the year ended December 31, 2020, the Organization had not used any portion of the funds. At December 31, 2021 the Organization disbursed approximately \$1.6 millions. This amount is included in the statement of functional expenses in the column the other programs.

NOTE M – OTHER INCOME

Other income presented in the statements of activities and changes in net assets for the years ended December 31, 2021 and 2020, are the following:

	<u>2021</u>	<u>2020</u>
<u>Without donors restriction</u>		
Interest on bank accounts	\$ 29,267	\$ 4,080
Paycheck Protection Program (PPP) forgiveness	-	317,000
Fundraising activities and others	<u>316,723</u>	<u>237,868</u>
Total	<u>\$ 345,990</u>	<u>\$ 558,948</u>

NOTE N – LIQUIDITY AND AVAILABILITY ON NET ASSETS

The following reflects the Organization’s net assets as of the statement of financial position date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of financial position date:

	<u>2021</u>	<u>2020</u>
Net assets	\$ 16,397,614	\$ 17,867,296
Less those unavailable for general expenditures within one year:		
Cash used for allocations to agencies and other specific purposes	(9,921,041)	(11,864,804)
Promises to receive with donor restrictions net of pledges payable	(1,639,120)	(1,885,557)
Property and equipment	<u>(640,448)</u>	<u>(607,053)</u>
Net assets available to meet cash needs for general expenditures within one year	<u>\$ 4,197,005</u>	<u>\$ 3,509,882</u>

The Organization is substantially supported by restricted campaign contributions. Because a donor’s restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year.

As part of the Organization’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In the event of an unanticipated liquidity need, the Organization could draw upon approximately \$4.4 millions and \$3.8 millions of available investment in marketable securities as of December 31, 2021 and 2020, respectively.

NOTE Q – PANDEMIC LOCKDOWN

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. On March 11, 2020, the World Health Organization (WHO) characterized COVID-19 as a global pandemic, resulting in mandates from federal, state, and local authorities requiring forced closures of non-essential services (as defined). As a result of the pandemic and following the Centers for Disease Control and Prevention (CDC) guidelines and recommendations, the Commonwealth of Puerto Rico ordered a complete lockdown of non-essential services, and such lockdown was in place through June 15, 2020. Although the lockdown was lifted, certain significant government restrictions continued throughout the rest of the year ended December 31, 2021.

While the Organization had temporarily closed its operations during the lockdown period, we have been able to partially operate remotely. Additionally, the Organization has developed a COVID-19 risk management group with designated personnel in place to attempt to mitigate and evaluate the risks and business disruption associated with the virus.

NOTE R – SUBSEQUENT EVENTS

In preparing its financial statements, the United Way of Puerto Rico management evaluated subsequent events through May 26, 2022, which was the date the basic financial statements were available to be issued, to determine if any of such events should either be recognized or disclosed in the 2021 basic financial statements.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 – GENERAL

The accompanying schedule of expenditures of federal awards presents the expenditures for the year ended December 31, 2021, of all the federally-assisted programs of the Organization.

NOTE 2 – ACCOUNTING BASIS

The schedule was prepared following the accrual basis of accounting, which is further explained in Note A to the financial statements of the nonprofit organization.

NOTE 3 – MAJOR PROGRAMS

The OMB Compliance Supplement requires the auditor to use a risk-based approach to determine major programs. The OMB also provides an exemption to this approach on the first year of implementation of the circular and when there is a change in auditors. The auditors went through the required procedures of the risk-based approach to select the Organization’s major programs for the year ended December 31, 2021.

NOTE 4 – DE MINIMIS INDIRECT COST RATE

The Organization did not elect to use the 10% de minimis indirect cost rate.

NOTE 5 – DETERMINATION OF FEDERAL AWARD

During the 2020, Fondos Unidos de Puerto Rico (United Way of Puerto Rico) was authorized by an agreement signed with Puerto Rico Fiscal Agency and Financial Advisory Authority (AAFAF for its Spanish acronym) to accumulate and disburse expenses under federal program Coronavirus Relief Fund (CARES Act). This agreement is active until June 30, 2022.

A reconciliation between expenditures as per the statement of activities and expenditures as per the schedule is as follows:

Expenses in the statement of activities and change in net assets	\$ 26,926,966
Add: federal expenditures by AAFAF in 2020	698,993
capital expenditures with federal funds	123,615
Less: federal depreciation expenses	(16,799)
non-federal expenses	<u>(8,043,489)</u>
Total schedule of expenditures of federal awards	<u>\$ 19,689,286</u>

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

**To the Board of Governors of
Fondos Unidos de Puerto Rico, Inc.
(United Way of Puerto Rico)
San Juan, Puerto Rico**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico) (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 26, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING
STANDARDS* (CONTINUED)**

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s major federal programs for the year ended December 31, 2021. Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico) complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico) and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s compliance with the compliance requirements referred to above.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE
(CONTINUED)**

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Fondos Unidos de Puerto Rico, Inc., (United Way of Puerto Rico)'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE
(CONTINUED)**

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
